## Winlow Place Civic Club Annual Membership

---

Winlow Place Civic Club is a voluntary organization promoting civic responsibility and pride throughout our neighborhood. Your annual dues fund items such as deed restriction enforcement, neighborhood protection, special projects, newsletters, website maintenance and more.

All Winlow Place residents (owners and tenants) are encouraged to join and become voting members. We sincerely thank you for your support and look forward to hearing from you through our website, at General Meetings or other neighborhood events.

The annual dues schedule is outlined below. These dues enable the Winlow Place Civic Club to accomplish the activities cited above as well as secure services such as legal counsel to maintain the integrity of our neighborhood.

---
